

REMARKS

Reconsideration of this application in light of the amendments and remarks is respectfully requested.

I. Rejection Under 35 U.S.C. § 112 First Paragraph

Claim 16, which was rejected under 35 U.S.C. § 112 is cancelled.

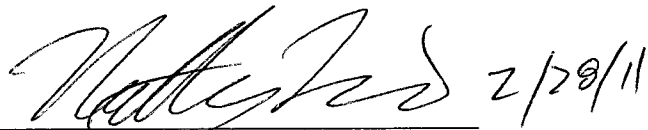

II. Allowed Claims and Amendments

Claims 1-7 and 11 were allowed. In a brief Examiner interview, the undersigned discussed claims 12-15, which are dependent on allowed claim 1, and the Examiner agreed these should also be allowable. The method claims 10 and 20 were also discussed and the Examiner agreed that if the elements of claim 1 were added to those claims that the method claims would also be allowable. Furthermore, Applicants have also added the elements of allowable claim 1 to claims 8 and 9. Accordingly, claims 1-15 and 17-20 should now all be allowable.

III. Conclusion

For the foregoing reasons, the claims are believed to be in condition for allowance and allowance is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Nathan T. Lewis', followed by the date '2/28/11'.
